33 approximately October 28, 2005, in the Western District of Washington and elsewhere,
34 GEORGE LEE, TIEN DUC VU, LEVI SETH MAYFIELD, KASEY JAMES
35 McKILLIP, and JACOB DYSON NICKELS did knowingly and willfully conspire,
36 combine, confederate and agree with each other and other persons known and unknown
37 to the Grand Jury, to steal moneys from a gaming establishment operated by and for an
38 Indian Tribe pursuant to an ordinance or resolution approved by the National Indian
39 Gaming Commission, in violation of Title 18, United States Code, Section 1167(b).

1 **I. Background**

2 At all times relevant to this Indictment:

3 2. The Nooksack River Casino (the "NRC" or the "Casino") was a gaming
 4 establishment operated by and for the Nooksack Indian Tribe, a federally-recognized
 5 Indian Tribe, pursuant to an ordinance or resolution approved by the National Indian
 6 Gaming Commission. The NRC's principal place of business in 2005 was located on
 7 Nooksack tribal lands off of the Mount Baker Highway in Deming, Washington.

8 3. In 1988, Congress passed the Indian Gaming Regulatory Act (the "Act"),
 9 which established a regulatory framework for tribal gaming operations including those
 10 conducted by the Nooksack Indian Tribe at the NRC. One of Congress' stated public
 11 policy purposes in passing the Act was to provide a statutory basis for the operation of
 12 gaming by Indian tribes as a means of promoting tribal economic development, self-
 13 sufficiency, and strong tribal governments. The Act restricts the use of net revenues
 14 from tribal gaming to the following:

15 a. funding tribal government operations or programs;
 16 b. providing for the general welfare of the Indian tribe and its
 17 members;
 18 c. promoting tribal economic development;
 19 d. funding charitable organizations through donations; and
 20 e. funding operations of local government agencies.

21 4. The NRC conducts what is known under the Act as Class III gaming,
 22 which is generally known as casino-style gaming. Gaming at the NRC includes tribal
 23 lottery system machines ("TLS"), which have the same appearance as slot machines, as
 24 well as various table games, including card games such as blackjack and mini-baccarat.

25 5. At the NRC, mini-baccarat is played with eight full decks of cards, which
 26 are shuffled by a dealer and placed in a dealing shoe. Cards are dealt from the shoe by a
 27 single dealer, and up to nine players can be seated at the table. Play begins when two
 28 hands are dealt from the shoe— one called the "player's hand" and the other called the

1 "banker's hand." Only two hands are dealt regardless of the number of players at the
 2 table. Each hand initially consists of two cards. The rules of the game determine
 3 whether a third card is dealt to either hand. Neither the players nor the dealer has any
 4 discretion in determining whether to hold or to deal a third card to a hand.

5 6. The first four cards are dealt from the shoe as follows: The first and third
 6 cards are dealt to the player's hand, while the second and fourth cards are dealt to the
 7 banker's hand. Mini-baccarat game rules dictate whether a fifth or sixth card is
 8 necessary, and the cards are dealt to the player's hand and/or banker's hand,
 9 respectively. All cards count as face value except tens and face cards, which have a
 10 value of 0. For example, an ace equals 1 and a five card equals 5. If the total or "point
 11 count" of the cards in a hand is a two-digit number, the left digit is disregarded and the
 12 right digit constitutes the point count (for example, the point count for a hand consisting
 13 of the following two cards, an 8 and a 6, would be 4 after dropping the left digit from the
 14 sum total of 14).

15 7. Players bet prior to a hand being dealt and have three betting options:
 16 Betting on the player's hand, betting on the banker's hand, or betting that the point count
 17 of the two hands will result in a tie. All winning bets on the player's hand or banker's
 18 hand are paid at odds of 1 to 1, while the odds on a tie bet are paid at odds of 8 to 1. The
 19 winning hand is the one under the rules of the game that comes closer to the total point
 20 count of 9. The Casino provides mini-baccarat scorecards for players to use. A typical
 21 and legitimate player use of a scorecard is to record "runs," i.e., a series of player's or
 22 banker's winning hands, for the player's use in making a betting decision.

23 8. All of the cards dealt in a hand of mini-baccarat are placed into the discard
 24 rack in a specific order. The dealer slides the cards from dealer's right hand to his left,
 25 face up with the first card on the right on the bottom and the last card on the left on the
 26 top. The dealer then turns the cards face down and places them into the discard rack.
 27 The same procedure is followed for each hand until all the cards are dealt from the shoe.
 28 Consequently, knowing the order of the cards going into the discard rack allows a player

1 who is tracking cards to know the order that the tracked cards will come out of the shoe
 2 if those cards are not shuffled.

3 9. Defendant GEORGE LEE solicited Casino employees LEVI SETH
 4 MAYFIELD, KASEY JAMES McKILLIP and JACOB DYSON NICKELS to
 5 participate in or otherwise facilitate a cheating scheme involving the game of mini-
 6 baccarat. In or about October 2005, GEORGE LEE was a patron of the Casino and
 7 played the game of mini-baccarat, winning approximately \$40,000. On or about
 8 October 28, 2005, the NRC regulators barred him from the Casino.

9 10. Defendant TIEN DUC VU was a patron at the NRC in or about October
 10 2005. During this period, TIEN DUC VU played the game of mini-baccarat, winning at
 11 least approximately \$24,000. On or about October 28, 2005, the NRC regulators barred
 12 him from the Casino.

13 11. Defendant LEVI SETH MAYFIELD was an NRC employee in or about
 14 October 2005. LEVI SETH MAYFIELD worked as a table games dealer, and his duties
 15 included dealing card games such as mini-baccarat. LEVI SETH MAYFIELD assisted
 16 GEORGE LEE, TIEN DUC VU, KASEY JAMES McKILLIP and JACOB DYSON
 17 NICKELS in a cheating scheme involving the game of mini-baccarat at the Casino.

18 12. Defendant KASEY JAMES McKILLIP was an NRC employee in or about
 19 October 2005. KASEY JAMES McKILLIP worked as a table games dealer, and his
 20 duties included dealing card games such as mini-baccarat. KASEY JAMES McKILLIP
 21 assisted GEORGE LEE, TIEN DUC VU, LEVI SETH MAYFIELD and JACOB
 22 DYSON NICKELS in a cheating scheme involving the game of mini-baccarat at the
 23 Casino.

24 13. Defendant JACOB DYSON NICKELS was an NRC employee in or about
 25 October 2005. JACOB DYSON NICKELS worked as a pit boss in the table games area.
 26 JACOB DYSON NICKELS assisted GEORGE LEE, TIEN DUC VU, LEVI SETH
 27 MAYFIELD and KASEY JAMES McKILLIP in a cheating scheme involving the game
 28 of mini-baccarat at the Casino.

1 **II. The Purpose of the Conspiracy**

2 14. The purpose of the conspiracy was to cheat the NRC at the game of mini-
 3 baccarat, and thereby take and carry away money from the Casino with the intent to
 4 steal the money. During the course of the conspiracy, defendants GEORGE LEE, TIEN
 5 DUC VU, LEVI SETH MAYFIELD, KASEY JAMES McKILLIP and JACOB DYSON
 6 NICKELS, and their co-conspirators, stole in excess of \$90,000 from the NRC.

7 **III. Manner and Means of the Conspiracy**

8 Defendants GEORGE LEE, TIEN DUC VU, LEVI SETH MAYFIELD, KASEY
 9 JAMES McKILLIP and JACOB DYSON NICKELS, and their co-conspirators, used the
 10 following means, among others, to effect the purpose of the conspiracy:

11 15. GEORGE LEE and TIEN DUC VU developed and/or participated in a
 12 "false shuffle" cheating scheme, which they employed to cheat the NRC at the game of
 13 mini-baccarat. The false shuffle was carried out as follows: GEORGE LEE and TIEN
 14 DUC VU would travel from outside the Western District of Washington to Deming,
 15 Washington, where they would recruit and pay mini-baccarat dealers, LEVI SETH
 16 MAYFIELD and KASEY JAMES McKILLIP, and pit boss, JACOB DYSON NICKELS,
 17 to participate in or otherwise facilitate the cheating scheme, which would thereby enable
 18 them to steal money from the Casino. GEORGE LEE would show the recruited dealers
 19 how to manipulate the shuffling of cards used in the game of mini-baccarat so that it
 20 would appear that the dealer is fully and completely shuffling the cards, when, in fact,
 21 the dealer would intentionally avoid shuffling a series of cards, the order of which
 22 would be previously recorded by a co-conspirator player. The false shuffle cheating
 23 scheme is described more fully in the following paragraphs.

24 16. It was further part of the conspiracy that, on multiple occasions beginning
 25 in or about October 2005, GEORGE LEE would go to the NRC and play mini-baccarat
 26 or observe mini-baccarat being played. GEORGE LEE would record the point count
 27 and order of a series of the cards dealt from the shoe and placed on the gaming table.

1 GEORGE LEE would record the point count and order of the cards on a scorecard
 2 provided by the Casino.

3 17. It was further part of the conspiracy that, after all the cards in a shoe were
 4 dealt, LEVI SETH MAYFIELD or KASEY JAMES McKILLIP (individually, the
 5 "conspirator dealer") would perform a false shuffle of the previously-recorded cards. A
 6 false shuffle involves a conspirator dealer intentionally avoiding interlacing or shuffling
 7 the cards that comprise the "plug."

8 18. It was further part of the conspiracy that once the conspirator dealer, i.e.,
 9 LEVI SETH MAYFIELD or KASEY JAMES McKILLIP completed a false shuffle, a
 10 conspirator player would look for "indicator cards" at the start of the plug. Once the
 11 conspirator player recognized the plug, he could determine the subsequent order of
 12 cards to be dealt and played from the shoe. The conspirator player then would use mini-
 13 baccarat rules to calculate the winner of subsequent hands played using recorded cards.
 14 The conspirator player would somehow signal appropriate play to other conspirator
 15 players at the table. Typically, a conspirator player or players would win multiple hands
 16 during the course of play involving the plug in any one shoe.

17 19. It was further part of the conspiracy that after LEVI SETH MAYFIELD or
 18 KASEY JAMES McKILLIP performed a false shuffle, GEORGE LEE and TIEN DUC
 19 VU would play mini-baccarat at the NRC when the falsely shuffled cards came back
 20 into play, thereby ensuring that they would be able to steal money from the NRC by
 21 cheating.

22 20. It was further part of the conspiracy that, following a session of illegal
 23 play, the conspirator players, GEORGE LEE and TIEN DUC VU, would take their chips
 24 from the table. They would subsequently go to a cage at the NRC where they would
 25 exchange chips for currency, and they would use the stolen funds for their personal
 26 benefit.

1 **IV. Overt Acts in Furtherance of the Conspiracy**

2 In furtherance of the conspiracy, and to achieve the objects thereby, defendants
 3 GEORGE LEE, TIEN DUC VU, LEVI SETH MAYFIELD, KASEY JAMES McKILLIP
 4 and JACOB DYSON NICKELS and their co-conspirators, committed and caused to be
 5 committed, in the Western District of Washington, at least one of the following overt
 6 acts, among others:

7 21. In or about August 2005, GEORGE LEE approached JACOB DYSON
 8 NICKELS, solicited his assistance in facilitating a cheating scheme involving the game
 9 of mini-baccarat at the Casino and asked JACOB DYSON NICKELS to introduce him
 10 to dealers at the Casino who would be interested in participating in the cheating scheme.
 11 JACOB DYSON NICKELS referred GEORGE LEE to LEVI SETH MAYFIELD.

12 22. In or about August 2005, GEORGE LEE met with LEVI SETH
 13 MAYFIELD in a motel room in Bellingham, Washington, where he showed LEVI
 14 SETH MAYFIELD how to perform a false shuffle of cards and told him that he would
 15 be paid for performing a false shuffle at the Casino.

16 23. In or about September 2005, JACOB DYSON NICKELS approached
 17 KASEY JAMES McKILLIP and asked him if he was interested in making money
 18 participating in a cheating scheme involving the game of mini-baccarat. JACOB
 19 DYSON NICKELS arranged for KASEY JAMES McKILLIP to meet GEORGE LEE.

20 24. In or about September 2005, LEVI SETH MAYFIELD showed KASEY
 21 JAMES McKILLIP how to perform a false shuffle of cards, and told him that GEORGE
 22 LEE would pay him for performing a false shuffle at the Casino.

23 25. In or about August and or September 2005, GEORGE LEE made three
